Dear Parents / Guardians

RE : COMMUNICATION PLATFORMS

Please be informed that the school continues its normal operations. I therefore urge you to ensure that your child/ward attends school regularly. Important content material will be covered by the educators in preparation for School Based Assessment Tasks (SBA) and for the March controlled tests.

In light of the incidents that have occurred in the recent past, we as the school together with the Department of Basic Education (KZN) are committed to ensure that policies and procedures at the school are followed and implemented.

The learners have been addressed by officials from the Department of Basic Education and they have assured the learners that their voices will be heard. Your input as a parent /guardian is also valuable in this regard.

To this end, Mrs B Mahlanbi, the District Director (Umlazi) has made the following platforms available to the learners as well you, the parent/guardian, to air any concerns and to make suitable comments.

- ❖ **Whatsapp number** : **0825191420**
- ❖ **Email address** : **philakahle.ngubane@kzn.gov.za**

Thanking you in advance for your cooperation.

Yours in education

.....
D Gounden (Principal)
