## Daily Arrangements for June Controlled Tests 2023

### Controlled Test Times

Please note the following.

- All learners writing in session 1 must report to school by **07:45** regardless of starting time of paper. Grade 12 learners writing in session 2 must report 30 minutes prior to reading time.
- Registration will take place between **07:55 and 08:35**
- Movement to exam rooms will take place between **08:35 and 08:45**.
- Times for start and of completion on a daily basis are related to the subjects offered by the learner.
- Refer to the table below for start and end of each controlled test paper.
- Please take note that at times, papers of different durations are written in the same room. Staggered start will be implemented so that all papers finish at the same time in that room. Learners must be seated at the same time as learners writing the longer paper.
- Please make the necessary transport arrangements for your child/ward.
