GRADE 12 JUNE/JULY INTERVENTION CLASSES - 2026

Dear Parent / Guardian

Please note:

1. The JULY intervention timetable is available for ease of reference.
2. An attendance register will be marked by subject educators and forwarded to the Department. Attendance is **COMPULSORY**.
3. It is in your child's own interest to attend these classes diligently.
4. A special one-on-one parent consultation meeting is ongoing for learners at risk. Parents will be notified and contacted shortly.
5. We have observed that learners are notifying their parents/guardians that they are attending intervention classes but in reality they are making alternate plans. It is the responsibility of each parent to ensure that their child/ward is attending the extra lessons.
6. The intervention period is scheduled for TWO hour sessions (3 Sessions and 2 Breaks). however, many learners are leaving the school property, visiting the shops, tuck-shops and friends homes. This practice is unacceptable. Learners will not be allowed to re-enter the school property. Please ensure that your child/ward has adequate lunch/ refreshments / water etc. for the day.
7. A candidate that has been registered in the 2026 NSC examinations must have an Identity Document with the photo i.e. Smart Card. This will allow the candidate entry into the examination room. Please make early appointments with Home Affairs to facilitate this process (2nd and 3rd week of the July holidays).
8. Queries wrt the grade 12 registrations and Intrevention must be directed to the Deputy Chief Invigilator, Mr R.Pillay.
9. The success of every child will depend on his/her self-discipline ie. punctuality, excellent attendance, attending all intervention programmes, completion of all SBA`s / PAT components and working consistently through the year.
10. We are walking this journey together. Together We Will Achieve More.

Thank You

Mr R. Pillay
Deputy Principal
